

Public Announcements 18/12/2020

We hereby announce that, Control Union Certifications (CUC) is an AWS approved, independent audit and certification body and will conduct the certification audit for the below party according to the AWS (Alliance for Water Stewardship) Standard.

Party: Coca-Cola European Partners Belgium
143 avenue des Thermes 4050 Chaudfontaine

The AWS certification audit date is planned on the 19th Januari 2021. We kindly request any parties to contact us in case of any comment regarding the above certification request during the coming 30 days period.

Interested stakeholders are hereby invited to make written or oral submission in respect of the application on the operations of the party and its impact on the water catchment of the area. Written submission including objective evidence should be sent to the Lead auditor. We are welcoming comments or requests for meeting to the following contact details:

AWS lead auditor: Mr. Jan Hofsteede

Email address: jhofsteede@controlunion.com

Official registration number: AWS-000341
